(Nintendo DSi device not included)

The hard case is the safest way to carry your Nintendo DSi while providing superior protection. It is made from a tough plastic exterior, which makes it perfect for those congested backpacks, suitcases or any other cluttered carrying bags. The inner lining is made of a shock absorbing, solid-rubber interior mold that securely holds the DSi a pen stylus and 6 games safely in their place. Pop open the case with the push button release and a place ribbon is located under the DSi molded interior to easily lift the DSi out. This Tuff case is the definitive accessory that will provide your DSi with
unyielding security and protection wherever you take it!

Features include:
- Inner lining made of solid rubber mold
- Holds a Nintendo DSi, Pen Stylus and 6 DSi game cartridges
- Locks securely
- Opens with a push button release
- Ribbon in DSi Molded interior for easy DSi removal

Also available in blue
